In 1952, Bob Lawton borrowed \$750.00 from his grandmother to start his own miniature golf course & arcade. The new venture was located upstairs in the Tarlson's Arcade Building in the Weirs. Bob's brother, John, helped him build the golf course & run the business that first summer and they soon became partners. After 55 years, Bob still oversees the operation of Funspot on a daily basis.

- ★ In 1964 Funspot opened at this location with an outdoor mini golf course and a few games inside.
- ★ In the 1980s Funspot expanded to Concord, Wolfeboro, Dover, & Amherst, NH as well as South Portland, ME & Port Richey, FL.
- ★ Today Funspot is the largest arcade in the world and has been your Family Entertainment Supercenter for over 55 years!
