

D.A. LONG

T • A • V • E • R • N

D.A. "Denny" Long, for whom this tavern is named, grandfather of Funspot owner Bob Lawton, was an Irish-American original. He was a pioneer in a age of pioneering optimists and made his mark in baseball and journalism.

In 1952 Bob Lawton borrowed \$750. from his grandmother, "Mom" Long, to start his own miniature golf course & arcade. The new venture was located upstairs in the Tarlson's Arcade Building in The Weirs. Bob's brother, John, helped him build the golf course & run the business that first summer and they soon became partners. In 1964 Funspot opened at this location with an outdoor mini-golf course and a few games. Today Funspot is certified by the Guinness World Book of Records as The Largest Arcade in the World with over 500 games for all ages. At 80+ years old, Bob still works seven days a week and oversees the entire operation of Funspot.

A little piece of trivia for history buffs: In 1969, during his first term in the New Hampshire State Legislature, Bob introduced the bill to place the state motto; "LIVE FREE OR DIE" on the license plates. Today it is the most widely recognized state motto throughout the United States.
